Laws Applicable to an International Arbitration - ACERIS LAW

Arbitration Act comes under the Law Commission’s

Features. International arbitration allows the parties to avoid local court procedures. International arbitration has different rules than domestic arbitration, and has its own non-country-specific standards of ethical conduct. The process may be more limited than typical litigation and forms a hybrid between the common law and civil law legal systems.

Chambers Global Public International Law 2019 "This New York-based firm has made a name for itself as a knight in shining armour for governments facing serious claims under investment treaties.” Global Arbitration Review, Top 30 Firms, 2020

‘The Arbitration of International Disputes’ is the third course of Leiden University’s series on International Law in Action. The first course covered generalities on the international courts and tribunals in The Hague, while the second course provided an insider’s perspective into the work of international criminal courts and tribunals. This third course explores the major aspects of
